# COLUMBIA RIVER COMPACT ACTION NOTICE

---

Washington Department of Fish and Wildlife

June 9, 2016

---

THE FOLLOWING ACTION WAS TAKEN:

<i>2016 Lower Columbia Recreational Salmon Fishery</i>
--

Effective Friday June 10 through June 15: the area from the Beacon Rock line upstream to Bonneville Dam boat deadline will be open to boat angling for salmon and steelhead.
--

The daily bag limit includes two adult salmonids per day, but only one may be a Chinook. Sockeye must be released. Only adipose fin-clipped salmon and steelhead may be kept. All other permanent regulations apply.
